

Joan Kirner Women's and Children's Quick Reference Guide

Cashier Station

The Joan Kirner Women's & Children's (JKWC) will not have a separate cashier station on opening.

Women and families attending the JKWC will need to travel to the existing Sunshine Hospital (SH) cashier station, located on the Ground Floor near the main Pharmacy, for all account enquiries and payments (please see below site map).

Volunteer guides will be available in the JKWC to support women and families in finding their way to the SH cashier station.

Cashier postcards are also available for distribution to women and families to assist with wayfinding.

Please email WHS-RevenueTeam@mh.org.au if you would like some cashier postcards for your department.

Finance anticipates that there will be a cashier in the JKWC in the near future.

Please contact Revenue Services on **8345 6915** for further information.
