### Quick Reference Guide

#### Obstetric Emergency Theatre – Theatre Three

- There are four operating theatres and one procedure room within the JKWC Operating Theatre Suite
- Theatre Three has been designated as the Obstetric Emergency Theatre
- Theatre Three will be available and staffed 24/7
- In case of obstetric emergency, Theatre Three can be accessed using the dedicated *Clinical Emergency Lift (Lift 28)* in the JKWC back of house lift lobby
- The dedicated *Clinical Emergency Lift* rests at Level Three (Birthing/Maternity Assessment Centre) when not in use so that it is readily available in case of an obstetric emergency
- There is also lift override functionality via swipe card in the back of house lift lobby to override any of the three back of house lifts (Lifts 28, 29 and 30) in case of a clinical emergency
