

Joan Kirner Women's and Children's Quick Reference Guide

X-Ray

- Western Health Medical Imaging (WHMI) provides inpatient and ambulatory x-ray services for paediatric, maternity and gynaecology patients in the JKWC
- X-ray facilities are located in Clinic A on the Ground Floor of the JKWC
- Ambulatory services are available Monday to Friday 08:00 – 17:00
- Referrals:
 - Outpatient referrals are accepted via paper request forms
 - Inpatient referrals are accepted via the EMR
- If a nurse escort is required, the ward nurse will accompany the patient to the x-ray facility and remain with the patient for the duration of the examination. The [Medical Imaging Patient Transport and ISBAR Nursing Handover Tool](#) must be completed by the ward nursing staff prior to the patient being transported to imaging
- For imaging examinations other than plain x-ray and ultrasound, imaging services are provided via the main Sunshine Hospital imaging department, located on the Ground Floor of Building A/B

Mobile X-Ray

- Mobile x-rays may be requested for inpatients via phone (8345 3124) accompanied by an EMR referral

Image Intensifier in theatre

- Image Intensifier guidance for theatre may be requested via phone (8345 3124) accompanied by an EMR referral
- All medical imaging referrals must comply with the [Zero Tolerance with Incomplete Request Form Documentation – Pathology and Medical Imaging Procedure](#).
